ANNUAL MEETING OF SHAREHOLDERS OF CERENCE INC.

February 20, 2020

This proxy statement (this “Proxy Statement”) is furnished in connection with the solicitation by Cerence Inc. (“we,” “us,” “our,” “Cerence” or the “Company”) on behalf of the Board of Directors (the “Board” or the “Board of Directors”) of proxies for use at the 2020 Annual Meeting of Shareholders of the Company to be held on Thursday, February 20, 2020 at 11:00 a.m. Eastern Time (the “2020 Annual Meeting”). EXPLANATORY NOTE

We are an “emerging growth company” as defined in the Jumpstart Our Business Startups Act. As an emerging growth company, we may take advantage of specified reduced reporting and other burdens that are otherwise applicable generally to public companies. These provisions include, among other things, an exemption from the requirement to seek non-binding advisory votes on executive compensation and reduced disclosure about executive compensation arrangements. We may take advantage of these provisions until the end of the fiscal year following the fifth anniversary of September 6, 2019, the date of effectiveness of our registration statement on Form 10, or such earlier time that we are no longer an emerging growth company. We will cease to be an emerging growth company upon the earliest of: (1) the end of the fiscal year following the fifth anniversary of September 6, 2019, the date of effectiveness of our registration statement on Form 10; (2) the first fiscal year after our annual gross revenues are \$1.07 billion or more; (3) the date on which we have, during the previous three-year period, issued more than \$1.0 billion in non-convertible debt securities; or (4) the end of any fiscal year in which the market value of our common stock held by non-affiliates exceeded \$700 million as of the end of the second quarter of that fiscal year. For as long as we take advantage of the reduced reporting obligations, the information that we provide shareholders may be different from information provided by other public companies.

VOTING RIGHTS

Each share of Common Stock entitles the holder thereof to one vote on matters to be acted upon at the 2020 Annual Meeting, including the election of directors. Votes cast in person or by proxy at the 2020 Annual Meeting will be tabulated by Mediant Communications, Inc., the Inspector of Elections. Any proxy that is voted according to the instructions included in the proxy card will be voted in accordance with the instructions thereon, and if no instructions are given, will be voted: (1) "FOR" the election of the two director nominees described in Proposal 1; and (2) "FOR" ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm described in Proposal 2. A shareholder may indicate when it votes by the Internet, by telephone or on the enclosed proxy that it is abstaining from voting on a particular matter (an "abstention"). A broker may indicate that it does not have discretionary authority as to certain shares to vote on a particular matter (a "broker non-vote"). Abstentions and broker non-votes are each tabulated separately.

The Inspector of Elections will determine whether or not a quorum is present at the 2020 Annual Meeting. In general, Delaware law and our By-laws provide that a majority of the shares of Common Stock issued and outstanding and entitled to vote, present in person or represented by proxy, constitutes a quorum. Abstentions and broker non-votes of shares that are entitled to vote are treated as shares that are present in person or represented by proxy for purposes of determining the presence of a quorum.

For Proposal 1 (Election of Class I Directors), each nominee receiving a majority of the votes cast will be elected. For this purpose, a majority of the votes cast means the number of votes cast for a director nominee must exceed the votes cast against that director nominee, with abstentions and broker non-votes not counted as a vote cast with respect to that director nominee. Each director nominee has provided an irrevocable resignation effective upon such person's failure to receive a majority of the votes cast in an uncontested election and the acceptance of such resignation by the Board. If such director nominee fails to receive a majority of the votes cast, then the Board shall consider such resignation and may either accept such resignation or reject such resignation and seek to address the underlying cause of the vote. The Board shall decide whether to accept or reject the resignation within 90 days following the certification of the shareholder vote. Once the Board makes this decision, the Company will promptly make a public announcement of the Board's decision, including, in the event that the Board rejects the resignation, a statement regarding the reasons for its decision.

For Proposal 2 (Ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for fiscal year 2020), an affirmative vote of a majority of the shares of Common Stock, present in person or represented by proxy, is required to approve the proposal. In determining whether this proposal has been approved, abstentions are treated as present in person or represented by proxy and entitled to vote, but not as voting for such proposal, and hence have the same effect as votes against such proposal. Proposal 2 is considered a routine matter for which brokers have discretionary voting power.

VIRTUAL ANNUAL MEETING

The 2020 Annual Meeting will be a completely virtual meeting. There will be no physical meeting location. The meeting will only be conducted via live webcast.

In order to attend, you must register in advance at www.proxydocs.com/CRNC prior to the deadline of February 13, 2020 at 5:00 pm Eastern Time. Upon completing your registration, you will receive further instructions via email, including your unique link that will allow you access to the meeting and you will have the ability to submit questions. Please be sure to follow instructions found on your Proxy Card and/or Voting Authorization Form and subsequent instructions that will be delivered to you via email.

RECORD DATE AND SHARE OWNERSHIP

Holders of record of Common Stock as of the close of business on December 23, 2019 have the right to receive notice of, and to vote at, the 2020 Annual Meeting. On December 23, 2019, the Company had 36,398,349 shares of Common Stock issued and outstanding.

PROXIES

Proxies for use at the 2020 Annual Meeting are being solicited by the Company from its shareholders. Any person giving a proxy in the form accompanying this Proxy Statement has the power to revoke it at any time before its exercise by (1) filing with the Corporate Secretary of the Company a signed written statement revoking his, her or its proxy or (2) submitting an executed proxy bearing a date later than that of the proxy being revoked. A proxy also may be revoked by attendance at the 2020 Annual Meeting and the election to vote in person. Attendance at the 2020 Annual Meeting will not by itself constitute the revocation of a proxy.

SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR THE 2021 ANNUAL MEETING OF SHAREHOLDERS

Shareholders may present proper proposals or nominations for consideration at next year's annual meeting of shareholders by submitting their proposals or nominations in writing to the Company's Corporate Secretary in a timely manner. Our Amended and Restated By-laws ("By-laws") require that certain information and acknowledgements with respect to the proposal or nomination be set forth in the shareholder's notice. A copy of the relevant By-law provision is available upon written request to Cerence Inc., 15 Wayside Road, Burlington, MA 01803, Attention: Investor Relations. In addition, the By-laws were filed as Exhibit 3.2 to the Company's Current Report on Form 8-K, filed with the U.S. Securities and Exchange Commission (the "SEC") on October 2, 2019 and may be accessed through the SEC's website at www.sec.gov.

Inclusion of Shareholder Proposals in Proxy Statement

Proposals of shareholders that are intended to be presented at the Company's 2021 Annual Meeting of Shareholders (the "2021 Annual Meeting") must comply with the requirements of SEC Rule 14a-8. A shareholder's proposal must be delivered to or mailed and received by us no later than September 26, 2020 in order for it to be included in the Company's proxy statement and form of proxy relating to the meeting.

Inclusion of Director Nominees in Proxy Statement

Our By-laws provide that a shareholder, or group of up to 20 shareholders, that has owned continuously for at least three years an aggregate of at least 3% of the outstanding Common Stock, may nominate and include in the Company's proxy materials director nominees constituting up to the greater of two or 20% of the number of directors in office as of the deadline for such nomination, provided that the shareholder(s) and nominee(s) satisfy the requirements in the By-laws (a "proxy access nomination"). To be timely, a nomination notice and required information must be delivered to or mailed and received by the Company's Corporate Secretary at our principal executive offices not less than 120 days nor more than 150 days prior to the anniversary of the date that the definitive proxy statement with respect to the preceding year's annual meeting was first released to shareholders; provided, however, that in the event the date of the annual meeting is more than 30 days earlier or more than 60 days later than such anniversary date, notice by the shareholder to be timely must be so delivered or received no earlier than the 150th day prior to such annual meeting and not later than the close of business on the later of (1) the 120th day prior to such annual meeting or (2) the 10th day following the date on which we publicly announce the meeting date. Assuming the date of our 2021 Annual Meeting is not so advanced or delayed, shareholders who wish to include a director nominee in our 2021 proxy statement must notify us no earlier than August 27, 2020 and no later than the close of business on September 26, 2020. Such notice must provide the information required by our By-laws.

Inclusion of Shareholder Proposals or Nominations in Annual Meeting Agenda but Not in Proxy Statement

A shareholder proposal or a nomination for director to be presented at the 2021 Annual Meeting that is not to be included in the Company's proxy statement and form of proxy relating to the meeting must be delivered to or mailed and received by the Company's Corporate Secretary at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the date of the immediately preceding annual meeting as first specified in the Company's notice of meeting; provided, however, that in the event the date of the annual meeting is more than 30 days earlier or more than 60 days later than such anniversary date, notice by the shareholder to be timely must be so delivered

or received no earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the date on which we publicly announce the meeting date. Assuming the date of our 2021 Annual Meeting is not so advanced or delayed, shareholders who wish to include a director nominee in our 2021 proxy statement must notify us no earlier than October 23, 2020 and no later than the close of business on November 22, 2020. Such notice must provide the information required by our By-laws.

PROXY SOLICITATION COSTS

The expense of solicitation of proxies will be borne by the Company. In addition to solicitation of proxies by mail, certain officers, directors and Company employees, who will receive no additional compensation for their services, may solicit proxies by telephone or in person. The Company is required to request brokers and nominees who hold stock in their name to furnish this proxy material to beneficial owners of the stock and will reimburse such brokers and nominees for their reasonable out-of-pocket expenses in so doing.

PROPOSAL ONE
ELECTION OF CLASS I DIRECTORS

Our Board of Directors is currently divided into three classes. Our Amended and Restated Certificate of Incorporation provides that, until the 2023 Annual Meeting of Shareholders (the annual meeting in the year that is three years after the Spin-Off) (the “2023 Annual Meeting”), our Board will be divided into three classes, with each class consisting, as nearly as may be possible, of one-third of the total number of directors. The directors designated as Class I directors have terms expiring at the 2020 Annual Meeting. The directors designated as Class II directors have terms expiring at the 2021 Annual Meeting, and the directors designated as Class III directors have terms expiring at our 2022 Annual Meeting. Commencing with the 2020 Annual Meeting, directors elected to succeed those directors whose terms then expire will be elected for a term of office to expire at our 2023 Annual Meeting. As a result, beginning at the 2023 Annual Meeting, all of our directors will stand for election each year for annual terms, and our Board will therefore no longer be divided into three classes.

At the 2020 Annual Meeting, two directors will be elected to the Board. The Nominating & Governance Committee of the Board of Directors recommended, and the Board of Directors approved, Thomas Beaudoin and Marianne Budnik as nominees for election at the 2020 Annual Meeting as Class I directors. The term of office of each person elected as a Class I director will continue until the 2023 Annual Meeting or until a successor has been duly elected and qualified or until his or her earlier resignation or removal.

The names of and certain biographical information about the directors in each of the three classes are set forth below. The information below also includes the specific experience, qualifications, attributes and skills that led to our Board’s conclusion that the nominees should serve as a director of Cerence or, with respect to each director who is not standing for election at the 2020 Annual Meeting, that the Board would expect to consider if it were making a conclusion currently as to whether he or she should serve as a director.

Recommendation of the Board

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF THOMAS BEAUDOIN AND MARIANNE BUDNIK TO SERVE AS CLASS I DIRECTORS.

CORPORATE GOVERNANCE

Corporate Governance Overview

We are committed to good corporate governance, which we believe promotes the long-term interests of our shareholders and strengthens our Board of Directors and management accountability. Highlights of our corporate governance practices include the following:

- ✓ Annual elections of directors beginning in 2023
- ✓ Separate Chairman and CEO
- ✓ Board composed of all non-employee directors (other than CEO)
- ✓ Majority voting for directors
- ✓ Shareholder right to call special meeting
- ✓ Proxy access
- ✓ Independent directors regularly meet in executive session
- ✓ Annual Board self-assessment

Framework

We have developed a corporate governance framework designed to ensure our Board has the opportunity, authority and practices to review, advise and evaluate our business operations and make decisions independent of management. Our goal is to align the interests of directors, management and shareholders and comply with or exceed the requirement of Nasdaq, and applicable laws and regulations. The framework establishes the practices our Board follows with respect to Board meetings, involvement of senior management, director compensation, CEO performance evaluation, management succession planning and Board committees.

Board Leadership Structure

Our current leadership structure splits the roles of CEO and Chairman, with Mr. Sarin serving as our independent Chairman. Our Corporate Governance Guidelines provide our Board of Directors with flexibility to select the appropriate leadership structure based on the specific needs of our business and the best interests of our shareholders. If the Chairperson of the Board is not independent, the Board will appoint a Lead Independent Director upon the recommendation of the Nominating & Governance Committee, which will be a director who qualifies as independent under the applicable rules of Nasdaq.

Independence of our Board

Having an independent Board is core to our governance practices. Our Board is comprised of seven directors. The Board has determined that five are independent under the director independence standards of Nasdaq and the SEC, including Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In making these determinations, the Board solicited information from each of our directors regarding whether such director, or any member of his or her immediate family, had a direct or indirect material interest in any transaction involving Cerence or its former parent, or received personal benefits outside the scope of such person's normal consideration.

There are not any family relationships among any of our directors or executive officers.

Corporate Governance Guidelines

The Board is governed by its Corporate Governance Guidelines, which were adopted by the Board in September 2019 and are available under “Governance—Documents & Charters” in the Investors section of our website, www.cerence.com. These guidelines cover, among other items, the following significant topics:

Board Selection Process and Qualifications. The Nominating & Governance Committee is responsible for reviewing the appropriate skills and characteristics required of prospective Board members and is responsible for recommending to the Board candidates for directorship. The Nominating & Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that will best serve the interests of the Company and its shareholders. Among the criteria the Board may consider are experience and diversity, and, with respect to diversity, the Board may consider such factors as gender, race, ethnicity, differences in professional background, experience at policy making levels in business, finance and technology and other areas, education, skill, and other individual qualities and attributes. While we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Board does endorse the value of seeking qualified directors from backgrounds relevant to the Company’s mission, strategy and business operations and perceived needs of the Board at a given time.

Director’s Eligibility, Education, and Term of Office. Directors may not serve on the board of directors of more than four other public companies without first obtaining specific approval from the Board. Each director is required to notify the Chairman and the Chair of the Nominating & Governance Committee prior to accepting service on the board of any other company. Each director also is required to notify the Chairman and the Chair of the Nominating & Governance Committee upon a change in principal professional responsibilities. The Nominating & Governance Committee may consider such change of status in recommending to the Board whether the director should continue serving as a member of the Board. The Board encourages, and the Company will reimburse the costs associated with, directors participating in continuing director education. The Board does not presently believe that it should establish term limits or a mandatory retirement age, as term limits and mandatory retirement ages may result in the loss of long-serving directors who over time have developed unique and valuable insights into our business and therefore can provide a significant contribution to the Board. As an alternative to term limits or a mandatory retirement age, the Board will routinely evaluate the directors and evaluate the need for changes to Board composition based on an analysis of skills and experience necessary for the Company.

Board Leadership. The leadership of the Board shall include a Chairman of the Board and, if the Chairman of the Board is not independent, a Lead Independent Director recommended by the Nominating & Governance Committee who shall be independent under the applicable rules of Nasdaq. The Chairman of the Board or the Lead Independent Director, as applicable, shall serve as the focal point for independent directors in resolving conflicts with the CEO, or other independent directors, and coordinating feedback to the CEO on behalf of independent directors regarding business issues and Board management.

Committees. The current committee structure of the Board includes the following standing committees: Audit, Compensation and Nominating & Governance. Additional committees may be created or disbanded upon approval of the Board. The Nominating & Governance Committee recommends, and the full Board approves, the composition of the Board’s standing committees. The charter of each standing committee is subject to review periodically to determine that the charter continues to address the purposes for which the committee was formed.

Committees of the Board of Directors

The composition, duties and responsibilities of the standing committees of our Board of Directors are as set forth below. Each of these committees has a written charter approved by our Board. Copies of these committee charters as well as our Corporate Governance Guidelines are available, without charge, upon request in writing to Cerence Inc., 15 Wayside Road, Burlington, MA 01803, Attention: Corporate Secretary, or under “Governance—Documents & Charters” in the Investors section of our website, www.cerence.com.

Although we do not have a formal policy regarding attendance by members of the Board of Directors at our annual meetings of shareholders, directors are encouraged to attend annual meetings of the Company. The Company did not hold an annual meeting in 2019.

Consideration of Director Nominees

The Nominating & Governance Committee will consider properly submitted shareholder nominations for candidates for membership on the Board as well as candidates recommended for consideration by the Nominating & Governance Committee. - compliance with applicable governmental laws, rules and regulations;
- adherence to all policies, including Foreign Corrupt Trade Practices and insider trading policies;
- the prompt internal reporting to an appropriate person or persons identified in the code of violations of the code; and
- accountability for adherence to the code.

A copy of the Company's Code of Business Conduct and Ethics is available under "Governance—Documents & Charters" in the Investors section of our website, www.cerence.com.

Stock Ownership Guidelines

In November 2019, the Board of Directors approved stock ownership guidelines for our executive officers and non-employee directors. These guidelines were adopted to align the interests of our executive officers and non-employee directors with the interests of our shareholders and also to promote the Company's commitment to sound corporate governance practices.

Under these guidelines, the target share ownership levels are five times base salary for our CEO, two times base salary for our other executive officers, and three times the annual cash retainer for the non-employee directors. The following shares count towards satisfaction of the guidelines: shares owned outright by the executive or non-employee director or his or her immediate family members residing in the same household; shares held in trust for the benefit of the executive or non-employee director or his or her family and shares held through an ERISA qualified benefit plan or through the Cerence 2019 Employee Stock Purchase Plan maintained by the Company. Unvested performance awards, unexercised stock options or unvested stock awards granted pursuant to the Company's short-term incentive program ("STIP") do not count for purposes of satisfying the guidelines.

Each executive and non-employee director must achieve the guideline amount within five years of becoming subject to the guidelines. In addition, until an individual has reached the appropriate target level, an executive is required to retain 25% of the net shares, except as set forth above, received as a result of the exercise of stock options or vesting of equity awards, and a non-employee director is required to retain 25% of the net shares received as a result of the exercise of stock options or vesting of restricted stock. Satisfaction of the stock ownership guidelines is calculated on a yearly basis at the end of the calendar year.

Derivatives Trading, Hedging and Pledging Policies

We prohibit our employees and members of the Board from speculating in our equity securities, including the use of short sales or any trading in publicly available options or derivative securities with respect to Cerence stock. In addition, we prohibit our employees and members of the Board from purchasing Cerence stock on margin (*i.e.*, borrowing money from a brokerage firm, bank or other entity in order to buy Cerence stock).

Board's Role in Strategy Risk Oversight

Overseeing management's development and execution of the Company's strategy is one of our Board's primary responsibilities. The Board works closely with the executive team to advise and respond to a dynamically changing business environment. The executive team and other leaders from across the Company provide business and strategy updates to our Board quarterly.

The Board has an active role, as a whole and also at the committee level, in overseeing management of Company risk. This role is one of informed oversight rather than direct management of risk. The Board reviews and consults with management on strategic direction, challenges and risks faced by the Company. The Board also reviews and discusses with management quarterly financial results and forecasts.

The Audit Committee oversees management of financial risks, including investment and foreign currency fluctuation risk mitigation policies and risks. The Board's oversight on cybersecurity includes reporting and updates from senior management and the Company's experts in areas such as cybersecurity threats, and technologies and solutions deployed internally and for the benefit of the Company's customers and technologies, policies and procedures to address these risks.

The Compensation Committee is responsible for overseeing the management of risks relating to and arising from the Company's compensation plans and arrangements. These committees provide regular reports—generally on a quarterly basis—to the full Board.

Management has responsibility for the direct management and oversight of legal, financial, cybersecurity, privacy and commercial compliance matters, which includes identifying areas of risk and implementing policies, procedures and practices to mitigate the identified risks. Additionally, the CFO and General Counsel provide periodic reports to the Audit Committee concerning financial, tax, legal and compliance related risks and the Company's experts report to the Board on cybersecurity. Management also provides the Audit Committee with periodic reports on the Company's compliance programs and efforts, investment policy and practices, and compliance with debt covenants. Management and the Compensation Committee's compensation consultant provide analysis of risks related to the Company's compensation programs and practices to the Compensation Committee.

The leadership structure of the Board, with the separation of the Chairman and CEO roles and the charters of the standing committees, supports the Board's oversight of the Company's risk management.

COMPENSATION OF NON-EMPLOYEE DIRECTORS

For fiscal year 2020, we compensate our non-employee directors with an annual cash retainer of \$100,000, plus an annual equity grant with a grant date fair value of \$125,000, as well as reimbursement for travel or other expenses incurred in connection with their service. EXECUTIVE COMPENSATION

Overview and Philosophy

Our compensation philosophy is designed to attract, motivate and retain highly skilled employees with the business experience and acumen that management and the Board of Directors believe is necessary for the promotion and achievement of our business objectives, and to ensure the compensation provided to these employees remains competitive with the compensation paid to similarly situated employees at comparable companies. The compensation program is also designed so that it does not encourage our executive officers to take unnecessary risks relating to our business. In addition, the compensation program is designed to reward both short-term and long-term performance and align the financial interests of our Named Executive Officers with the interests of our shareholders. Our guiding principles are:

- Align executive compensation with long-term shareholder value;
- Attract, retain and motivate a high-performing team;
- Reward executives for achieving near and long-term business goals;
- Pay for performance, with a significant portion of executive compensation linked to long-term performance;
- Provide competitive total pay opportunity to executives in line with companies in our peer group; and
- Discourage unnecessary or excessive risk-taking, assisted by our mix of compensation elements and our stock ownership requirements.

Components of Executive Compensation

The executive compensation program consists of a mix of variable and fixed compensation. The elements of compensation include:

Independent Compensation Consultant

In November 2019, the Compensation Committee engaged the Radford division of Aon to be the independent compensation consultant for the Compensation Committee. The Compensation Committee has assessed the independence of Radford consistent with Nasdaq listing standards and has concluded that the engagement of Radford does not raise any conflict of interest.

Employment Arrangement with Mr. Dhawan

On February 14, 2019, Nuance entered into an offer letter with Sanjay Dhawan providing for his employment initially as Advisor to the Auto Division of Nuance and, upon the completion of the Spin-Off, as Chief Executive Officer of Cerence. Mr. Dhawan's offer letter provides Mr. Dhawan with a starting annual base salary of \$600,000 and an initial cash incentive target opportunity equal to 100% of his annual base salary, prorated with respect to fiscal year 2019, and up to 150% of his annual cash base salary for subsequent years beyond 2019. In addition, pursuant to the terms of Mr. Dhawan's offer letter, Mr. Dhawan is eligible to receive reimbursement of up to \$350,000 for expenses associated with his relocation to the Boston, MA area by September 30, 2019. Mr. Dhawan did not relocate to the Boston area.

In connection with the Spin-Off and pursuant to the terms of his offer letter, Mr. Dhawan received an initial grant of RSUs and PSUs, having an aggregate grant date fair value of \$3,000,000, divided equally between the RSUs and PSUs (respectively the "Initial RSUs" and "Initial PSUs"). The RSUs vest as to one third on each of October 1, 2020, 2021 and 2022, subject to Mr. Dhawan's continued service with Cerence through each applicable vesting date. The PSUs vest as to one-third each following the end of each of fiscal years 2020, 2021 and 2022, subject to achievement of certain corporate EBITDA and revenue performance targets, and all are subject to Mr. Dhawan's continued service through each applicable vesting date. PSUs that are not earned in one performance period remain eligible to be earned in a future performance period. The PSUs are eligible to vest at up to 200% of target, subject to Mr. Dhawan's continued service with Cerence through each applicable vesting date and achievement of the performance targets. If maximum performance targets are met in each of the three performance periods, Mr. Dhawan's PSUs will vest with respect to an additional 50% of target. Also pursuant to the terms of his offer letter, Mr. Dhawan received a one-time make-whole grant of a number of RSUs ("Make-Whole RSUs") having a grant date fair value of \$5,000,000, which vests in equal quarterly installments beginning on January 1, 2020 and ending on October 1, 2021.

Mr. Dhawan was also granted an additional Spin-Off launch award of RSUs and PSUs, having an aggregate grant date fair value of \$3,750,000 divided equally between RSUs and PSUs. The RSUs and PSUs have the same vesting terms as the Initial RSUs and the Initial PSUs.

Employment Arrangement with Mr. Gallenberger

On June 12, 2019, Nuance entered into an offer letter with Mark Gallenberger providing for his appointment initially as Finance Executive to the Auto Division of Nuance and, upon the completion of the Spin-Off, as Chief Financial Officer of Cerence Mr. Gallenberger's offer letter provides Mr. Gallenberger with an initial annual base salary of \$400,000 and a cash incentive target opportunity equal to 75% of his annual base salary, prorated for any partial year of service.

In connection with the Spin-Off and pursuant to the terms of his offer letter, Mr. Gallenberger received an initial grant of RSUs and PSUs, having an aggregate grant date fair value of \$1,200,000, divided equally between the RSUs and PSUs (respectively the "Initial RSUs" and "Initial PSUs"). The RSUs vest as to one-third on each of October 2020, 2021 and 2022 and the PSUs vest as to one-third each year following the end of each of fiscal years 2020, 2021 and 2022, subject to the achievement of corporate EBITDA and revenue performance targets and subject to Mr. Gallenberger's continued service with Cerence through each vesting date. PSUs that are not earned in one performance period remain eligible to be earned in a future performance period and are eligible to vest at up to 150% of target. If maximum performance targets are met in each of the three performance periods, the PSUs will vest with respect to an additional 25% of target. Mr. Gallenberger also received an additional Spin-Off launch award of RSUs and PSUs, having an aggregate grant date fair value of \$1,500,000 divided equally between the RSUs and PSUs. The RSUs and PSUs have the same vesting terms as the Initial RSUs, and the Initial PSUs granted to Mr. Gallenberger.

CEO Change of Control and Severance Agreement

In July 2019, Nuance entered into a Change of Control and Severance Agreement with Mr. Dhawan, which was assumed by the Company in the Spin-Off (the "Dhawan Severance Agreement"). Pursuant to the Dhawan Severance Agreement, upon a termination of Mr. Dhawan's employment by Cerence without "cause" (as defined in the Dhawan Severance Agreement) and other than due to Mr. Dhawan's death or "disability" (as defined in the Dhawan Severance Agreement) that occurs outside of the one-year period following a "change of control" (as defined in the Dhawan Severance Agreement), Mr. Dhawan will be entitled to receive a lump sum cash payment equal to (i) twenty-four (24) months of his base salary then in effect, (ii) 100% of his target annual bonus for the fiscal year in which such termination of employment occurs, (iii) a prorated target annual bonus for the fiscal year in which such termination occurs (iv) eighteen (18) months of COBRA premiums (at the coverage levels in effect immediately prior to his termination), (v) accelerated vesting of the Initial RSUs and the Make-Whole RSUs, as well as any other Company equity awards that would otherwise vest solely on the basis of his continued employment and that would have vested within the twelve (12) months immediately following the date of his termination of employment and, (vi) if such termination occurs prior to end of the performance period applicable to the Initial PSUs, the Initial PSUs shall vest as to that number of shares determined by multiplying the target number of Initial PSUs by a fraction, the numerator of which is twelve (12) and the denominator of which is the greater of (1) the number of months in the applicable performance period or (2) twelve (12).

Upon a change of control, the Initial PSUs, to the extent then outstanding and unvested, shall be deemed to be earned based on actual performance through such change of control and such Initial PSUs that are earned shall be subject to time-based vesting based on Mr. Dhawan's continued employment through the performance period and subject to accelerated vesting as set forth below.

In the case of a termination without "cause" or a resignation for "good reason" (as defined in the Dhawan Severance Agreement) within twelve (12) months following a change of control of Cerence, Mr. Dhawan is entitled to receive a lump sum cash payment equal to (i) thirty (30) months of his base salary then in effect, (ii) 200% of his target annual bonus for the fiscal year in which such termination of employment occurs, (iii) a prorated target annual bonus for the fiscal year in which such termination occurs, (iv) eighteen (18) months of COBRA premiums (at the coverage levels in effect immediately prior to his termination) and (v) accelerated vesting of all Company equity awards that have been previously awarded to Mr. Dhawan that vest on the basis of his continued employment, including the Initial RSUs and the Make-Whole RSUs, as well as all of the Initial PSUs then outstanding and eligible to vest based on his continued employment.

The Dhawan Severance Agreement provides for an initial one-year term and for automatic renewal of additional one-year terms unless the Company or the Mr. Dhawan provides timely notice of non-renewal. The receipt of any severance payments or benefits under the Dhawan Severance Agreement is subject to Mr. Dhawan's execution and non-revocation of a separation agreement and release of claims in favor of the Company as well as continued compliance with the terms of any agreements concerning inventions, confidentiality, or restrictive covenants.

Change of Control and Severance Agreement with Other NEOs

In November 2019, the Company entered into a Change of Control and Severance Agreement (the "NEO Severance Agreements") with each of our Named Executive Officers, other than Mr. Dhawan (whose arrangements are described above). The NEO Severance Agreements provide that in the event that a Named Executive Officer's employment is involuntarily terminated by us without "cause" (as defined in the applicable NEO Severance Agreement) and not in connection with his death or "disability" (as defined in the applicable NEO Severance Agreement) and such termination occurs outside of the one-year period following a "change of control" (as defined in the applicable NEO Severance Agreement), the Named Executive Officer will be eligible to receive (i) a lump sum payment equal to 100% of his annual base salary then in effect, (ii) a lump sum payment equal to 100% of his target bonus and a pro-rated percentage of his target bonus for the fiscal year in which the termination occurs, (iii) vesting of the prorated portion of the time-based equity that would have vested in the twelve (12) months following the date on which the termination of employment occurs; provided, however, that if such termination occurs prior to September 30, 2020, 100% of the Named Executive Officer's unvested time-based equity awards that were converted from equity awards covering Nuance shares will become vested in full, and (iv) up to twelve (12) months Company-paid health insurance under COBRA (at the coverage levels in effect immediately prior to the Named Executive Officer's termination).

If the Named Executive Officer's employment is terminated by us without cause or he resigns for "good reason" (as defined in the applicable NEO Severance Agreement) within twelve (12) months following a change of control of the Company, he will instead be eligible to receive, (i) 150% of his annual base salary then in effect, payable in a lump sum, (ii) a lump sum payment equal to 150% of the greater of (1) Named Executive Officer's target bonus for the year in which the Named Executive Officer's termination occurs, or (2) Named Executive Officer's target bonus in effect immediately prior to the change of control plus (B) a prorated percentage of the greater of (1) the Named Executive Officer's target bonus for the year in which the Named Executive Officer's termination of employment occurs, or (2) the Named Executive Officer's target bonus in effect immediately prior to the change of control, (iii) 100% vesting acceleration of the Named Executive Officer's unvested and time-based equity awards, and (iv) for Named Executive Officers based in the United States, twelve (12) months Company-paid health insurance under COBRA. Upon a change of control, PSUs that are subject to performance goals for the year in which the change of control occurs will become eligible to vest based on the number of shares that would vest based on actual performance through the change of control, subject to continued service through the end of the performance period, or upon earlier termination without cause or for good reason. Upon a change of control, PSUs that are subject to performance goals for years after the year in which the change of control occurs will continue to remain subject to the terms of the applicable award agreement except that if, during the twelve (12) month period following a change of control, the Named Executive Officer's employment is terminated by the successor other than for cause or by the Named Executive Officer for good reason, 50% of the PSUs that would have vested at 100% of target performance will vest.

[Table of Contents](#)

To receive the foregoing severance payments and benefits, the Named Executive Officer is required to enter into a separation and release agreement in favor of the Company and must continue to comply with his existing confidentiality and restrictive covenant agreements.

The NEO Severance Agreements provide for an initial term through September 30, 2022 and for automatic renewal of additional one-year terms unless the Company or the Named Executive Officer provides timely notice of non-renewal.

Our Policy Regarding Related Party Transactions

Our Board has adopted a written policy regarding the review, approval and ratification of transactions with related persons. This policy provides that our Audit Committee will review each of Cerence's transactions involving an amount exceeding \$120,000 and in which any "related person" had, has or will have a direct or indirect material interest. In general, "related persons" are our directors, director nominees, executive officers and shareholders beneficially owning more than 5% of our outstanding Common Stock and immediate family members or certain affiliated entities of any of the foregoing persons. Our Audit Committee will approve or ratify only those transactions that are fair and reasonable to Cerence and in our and our shareholders' best interests.

Agreements with Nuance

In order to govern the ongoing relationships between us and Nuance after the Spin-Off and to facilitate an orderly transition, we and Nuance entered into agreements providing for various services and rights following the Spin-Off, and under which we and Nuance agreed to indemnify each other against certain liabilities arising from our respective businesses. The following summarizes the terms of the material agreements we entered into with Nuance.

Separation and Distribution Agreement

We entered into a Separation and Distribution Agreement with Nuance in advance of the Spin-Off. The Separation and Distribution Agreement sets forth our agreements with Nuance regarding the principal actions taken in connection with the Spin-Off. It also sets forth other agreements that govern aspects of our relationship with Nuance following the Spin-Off.

Transfer of Assets and Assumption of Liabilities. The Separation and Distribution Agreement identifies certain transfers of assets and assumptions of liabilities that were necessary in advance of our separation from Nuance so that we and Nuance retain the assets of, and the liabilities associated with, our respective businesses. Except as described below with respect to intellectual property, the Separation and Distribution Agreement generally provides that the assets comprising our business consist of those primarily related to our current business and operations. The liabilities we assumed in connection with the Spin-Off generally consist of those related to the past and future operations of our business, including our locations used in our current operations. The Separation and Distribution Agreement also provides for the settlement or extinguishment of certain liabilities and other obligations between us and Nuance.

The Separation and Distribution Agreement provides for (1) us to own certain specified patents and patent applications, a collection of software and other technology assets, and all other intellectual property rights exclusively related to the Cerence business, and the liabilities relating to, arising out of or resulting therefrom and (2) Nuance to retain any of its other intellectual property rights related to the Cerence business and the liabilities relating to, arising out of or resulting therefrom. The selection of intellectual property rights allocated to us in the agreement was generally determined to provide us with intellectual property rights with respect to technologies exclusively used by Nuance's automotive business, and those intellectual property rights for which the development, enhancement and maintenance has historically been conducted by Nuance's automotive business. Any technologies that are not allocated to us have been retained by Nuance, including certain patents, software and other technology assets related to Nuance's healthcare and enterprise businesses.

Reorganization Transactions. The Separation and Distribution Agreement described certain actions related to our separation from Nuance that occurred prior to the Spin-Off, including: (1) pursuant to a series of internal transfers to certain foreign subsidiaries that are now held under a Netherlands holding company, the non-U.S. assets and operations relating to our business were separated from the other non-U.S. assets and operations of Nuance, and the Netherlands holding company was in turn distributed to Nuance in an internal spin-off; (2) the U.S. assets and operations of our business were contributed to a new U.S. holding company; (3) employees relating to our business that were previously employed by Nuance subsidiaries that did not become subsidiaries of Cerence became employees of the appropriate Cerence subsidiaries; (4) both of the new holding companies were contributed to Cerence; and (5) prior to the Spin-Off, Cerence incurred indebtedness and distributed the proceeds to Nuance.

Intercompany Arrangements. All agreements, arrangements, commitments and understandings, including most intercompany accounts payable or accounts receivable, between us, on the one hand, and Nuance, on the other hand, terminated and/or were repaid effective as of the Distribution or shortly thereafter, except specified agreements and arrangements that are intended to survive the Spin-Off.

Credit Support. We agreed to use reasonable best efforts to arrange, prior to the Spin-Off, for the replacement of all guarantees, covenants, indemnities, surety bonds, letters of credit or similar assurances of credit support, other than certain specified credit support instruments, currently provided by or through Nuance or any of its subsidiaries for the benefit of us or any of our subsidiaries.

Representations and Warranties. In general, neither we nor Nuance made any representations or warranties regarding any assets or liabilities transferred or assumed, any consents or approvals that may be required in connection with these transfers or assumptions, the value or freedom from any lien or other security interest of any assets transferred, the absence of any defenses relating to any claim of either party or the legal sufficiency of any conveyance documents. Except as expressly set forth in the Separation and Distribution Agreement, all assets have been transferred on an “as-is,” “where-is” basis.

Further Assurances. The parties will use reasonable best efforts to effect any transfers contemplated by the Separation and Distribution Agreement that have not yet been consummated as promptly as practicable following the Spin-Off. In addition, the parties will use reasonable best efforts to effect any transfer or re-transfer of any asset or liability that was improperly transferred or retained as promptly as practicable following the Spin-Off.

Exchange of Information. We and Nuance agreed to provide each other with information reasonably necessary to comply with reporting, disclosure, filing or other requirements of any national securities exchange or governmental authority, for use in judicial, regulatory, administrative and other proceedings and to satisfy audit, accounting, litigation and other similar requests. We and Nuance also agreed to use reasonable best efforts to retain such information in accordance with our respective record retention policies as in effect on the date of the Separation and Distribution Agreement. Each party also agreed to use its reasonable best efforts to assist the other with its financial reporting and audit obligations.

Release of Claims. We and Nuance each agreed to release the other and its affiliates, successors and assigns, and all persons that prior to the Spin-Off have been the other’s shareholders, directors, officers, members, agents and employees, and their respective heirs, executors, administrators, successors and assigns, from any claims against any of them that arise out of or relate to events, circumstances or actions occurring or failing to occur or any conditions existing at or prior to the time of the Spin-Off. These releases are subject to exceptions set forth in the Separation and Distribution Agreement.

Indemnification. We and Nuance each agreed to indemnify the other and each of the other’s current, former and future directors, officers and employees, and each of the heirs, administrators, executors, successors and assigns of any of them, against certain liabilities incurred in connection with the Spin-Off and our and Nuance’s respective businesses. The amount of either Nuance’s or our indemnification obligations will be reduced by any insurance proceeds the party being indemnified receives. The Separation and Distribution Agreement also specifies procedures regarding claims subject to indemnification.

Transition Services Agreement

We entered into a Transition Services Agreement pursuant to which Nuance is providing us, and we are providing Nuance, with certain specified services for a limited time to help ensure an orderly transition following the Spin-Off. For a limited time after the Spin-Off, we may request that additional services in the same functional categories as the specified services provided by Nuance to us so long as such additional services were provided historically by Nuance to our business. The services are generally intended to be provided for a period no longer than twelve months following the Spin-Off, with a possibility to extend the term of each service up to an additional twelve months. Each party may terminate the agreement in its entirety in the event of a material breach of the agreement by the other party that is not cured within a specified time period. Each recipient party may also terminate the services on an individual basis upon prior written notice to the party providing the service.

The service recipient is required to pay to the service provider a fee equal to the cost of service specified for each service, which is billed on a monthly basis.

We agreed to indemnify and hold Nuance harmless from any damages to the extent arising out of Nuance’s provision of the services unless such damages are the result of Nuance’s gross negligence, willful misconduct, breach of the agreement or violation of law in providing services. Additionally, Nuance’s liability is generally subject to a cap in the amount of fees actually received by Nuance from us in connection with the provision of the services. We also generally indemnify Nuance for all liabilities to the extent arising out of Nuance’s provision of the services unless such liabilities are the result of Nuance’s gross negligence, willful misconduct, breach of the agreement or violation of law in providing

services, in which case, Nuance indemnifies us for such liabilities. These indemnification and liability terms are customary for agreements of this type.

Tax Matters Agreement

We entered into a Tax Matters Agreement with Nuance that governs the respective rights, responsibilities and obligations of Nuance and us with respect to all tax matters (including tax liabilities, tax attributes, tax returns and tax contests).

The Tax Matters Agreement generally provides that we are responsible and will indemnify Nuance for all taxes, including income taxes, sales taxes, VAT and payroll taxes, relating to our business for all periods following the Spin-Off; and Nuance is responsible and will indemnify us for all taxes relating to our business for all periods preceding the Spin-Off. In addition, the Tax Matters Agreement addresses the allocation of liability for taxes that were incurred as a result of restructuring activities undertaken to effectuate the Spin-Off. Nuance has the right to control any audit or contest relating to any taxes with respect to all periods prior to the Spin-Off, but we have the right to review and comment on Nuance's conduct of any such audit or contest, to the extent that we could be liable for taxes under the Tax Matters Agreement as a result of such audit or contest.

In addition, the Tax Matters Agreement provides that we are required to indemnify Nuance for any taxes (and reasonable expenses) resulting from the failure of the Spin-Off and related internal transactions to qualify for their intended tax treatment under U.S. federal, state and local income tax law, as well as foreign tax law, where such taxes result from (1) breaches of covenants and representations we made and agreed to in connection with the Spin-Off, (2) the application of certain provisions of U.S. federal income tax law to these transactions or (3) any other action or omission (other than actions expressly required or permitted by the Separation and Distribution Agreement, the Tax Matters Agreement or other ancillary agreements) we take after the Spin-Off that gives rise to these taxes. Nuance has the exclusive right to control the conduct of any audit or contest relating to these taxes, but we have the right to review and comment on Nuance's conduct of any such audit or contest, to the extent that we could be liable for taxes under the Tax Matters Agreement as a result of such audit or contest.

The Tax Matters Agreement imposes certain restrictions on us and our subsidiaries (including restrictions on share issuances, redemptions or repurchases, business combinations, sales of assets and similar transactions) that are designed to address compliance with Section 355 and related provisions of the Code and are intended to preserve the tax-free nature of the Spin-Off. Under the Tax Matters Agreement, these restrictions apply for two years following the Spin-Off, unless we or Nuance obtain a private letter ruling from the IRS or an opinion of counsel, in each case acceptable to Nuance in its reasonable discretion, that the restricted action would not impact the non-recognition treatment of the Spin-Off, or unless Nuance otherwise gives its consent for us to take a restricted action. Even if we do obtain such a private letter ruling or opinion, or Nuance does otherwise consent to our taking an otherwise restricted action, we will remain liable to indemnify Nuance in the event such restricted action gives rise to an otherwise indemnifiable liability. These restrictions may limit our ability to pursue strategic transactions or engage in new businesses or other transactions that may maximize the value of our business, and might discourage or delay a strategic transaction that our shareholders may consider favorable.

Employee Matters Agreement

We entered into an Employee Matters Agreement with Nuance that addresses employment and employee compensation and benefits matters. The Employee Matters Agreement addresses the allocation and treatment of assets and liabilities relating to employees and compensation and benefit plans and programs in which our employees participated prior to the Spin-Off. Except as specifically provided in the Employee Matters Agreement, we are generally responsible for all employment and employee compensation and benefits-related liabilities relating to our employees, former employees and other service providers. In particular, we assumed certain assets and liabilities with respect to our current and former employees under certain of Nuance's U.S. and non-U.S. defined benefit pension plans (with assets and liabilities allocated based on formulas specified in the Employee Matters Agreement for each pension plan). Generally, except as may be provided in the Transition Services Agreement, each of our employees ceased active participation in Nuance compensation and benefit plans as of the Spin-Off. The Employee Matters Agreement also provides that we establish certain compensation and benefit plans for the benefit of our employees following the Spin-Off,

including a 401(k) savings plan, which accepts direct rollovers of account balances from the Nuance 401(k) savings plan for any of our employees who elect to do so. Generally, we assume and are responsible for any annual bonus payments, including with respect to the year in which the Spin-Off occurs, and any other cash-based incentive or retention awards to our current and former employees. The Employee Matters Agreement incorporates the indemnification provisions contained in the Separation and Distribution Agreement and described above. In addition, the Employee Matters Agreement provides that we indemnify Nuance for certain employee-related liabilities associated with the Transition Services Agreement.

Agreements Governing Intellectual Property

Intellectual Property Agreement. We entered into an Intellectual Property Agreement with Nuance, pursuant to which we granted to Nuance, and Nuance granted to us, perpetual, non-exclusive, royalty-free licenses to certain patents and technology, as well as certain other intellectual property that have historically been shared between us and Nuance. The intellectual property licensed to us under the Intellectual Property Agreement includes patents, software and technologies that have generally been more significant to the business of Nuance, but are used in our business following the Spin-Off, and are technologies in the general areas of automatic speech recognition and natural language understanding.

Following the Spin-Off, the patent and technology licenses are generally limited to the respective licensee's defined field of use, and after the fifth anniversary of the Spin-Off, the technology licenses will extend to all fields. The field of use for intellectual property licensed from Nuance to Cerence is generally for the automotive industry and certain ancillary fields, including (1) providing customer service and call center solutions to vehicle manufacturers and transportation service providers and (2) providing certain internet of things devices for the China market (excluding the healthcare and enterprise solutions markets). The field of use for intellectual property licensed from Cerence to Nuance is generally for industries other than the automotive industry. The Intellectual Property Agreement also provides arrangements for each of us and Nuance to utilize certain data used by both us and Nuance. In addition, we agreed not to challenge Nuance's rights in its existing intellectual property rights or act to impair such intellectual property rights, and Nuance agreed not to challenge our rights in our existing intellectual property rights or act to impair such intellectual property rights. The non-exclusive license to us will generally be transferable with any sale or transfer of an entity or line of business of ours that utilizes Nuance's intellectual property, and the license to Nuance will generally be transferable with any sale or transfer of an entity or line of business of Nuance that utilizes our intellectual property.

Transitional Trademark License Agreement. We entered into a Transitional Trademark License Agreement with Nuance, pursuant to which Nuance granted us a non-exclusive, royalty free license to continue using certain of Nuance's trademarks, trade names and service marks with respect to the "Nuance" and "Dragon" brands in connection with the sale, marketing and other commercialization of our products and services. The term of the licenses generally do not exceed six months. The Transitional Trademark License Agreement also provides that we use commercially reasonable efforts to cease using the licensed trademarks as soon as reasonably practicable. The license to us is generally transferable with any sale or transfer of an entity or line of business of ours that utilizes Nuance's trademarks.

Other Arrangements

Prior to the Spin-Off, we have had various other arrangements with Nuance, including arrangements whereby Nuance provided us with finance, human resources, legal, privacy, information technology, general insurance, security and other corporate functions. These arrangements, other than those contemplated pursuant to the Transition Services Agreement, were generally terminated in connection with the Spin-Off. We do not consider these arrangements with Nuance to be material. In addition, we entered into certain other arm's-length arrangements regarding access to certain software and technology.

PROPOSAL TWO
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

On November 19, 2019, the Audit Committee approved the retention of BDO USA, LLP (“BDO”) as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2020. We expect that a representative of BDO will be present at the 2020 Annual Meeting to make a statement if he or she desires to do so, and such representative is expected to be available to respond to appropriate questions.

The shareholders are being asked to ratify the appointment of BDO as independent registered public accounting firm for the Company for the fiscal year ending September 30, 2020.

Audit Fees During Fiscal Year 2019 and Fiscal Year 2018

The following table sets forth the approximate aggregate fees paid by the Company to BDO during the fiscal year ended September 30, 2019.

	<u>Fiscal 2019</u>	<u>Fiscal 2018</u>
Audit Fees	\$2,038,000	\$1,460,000
Audit-Related Fees		0
Tax Fees	0	0
All Other Fees	0	0
Total Fees	<u>\$2,038,000</u>	<u>\$1,460,000</u>

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Sarbanes-Oxley Act of 2002 and the auditor independence rules of the SEC require all independent registered public accounting firms that audit issuers to obtain pre-approval from their respective audit committees in order to provide professional services without impairing independence. As such, our Audit Committee has a policy and has established procedures by which it pre-approves all audit and other permitted professional services to be provided by our independent registered public accounting firm.

The pre-approval procedures include execution by the CFO and Audit Committee Chairperson, on behalf of the Company and the entire Audit Committee, of an audit and quarterly review engagement letter and pre-approval listing of other permitted professional services anticipated to be rendered during the foreseeable future. Additionally, from time to time, we may desire additional permitted professional services for which specific pre-approval is obtained from the Audit Committee Chairperson, acting on behalf of the Company and the entire Audit Committee, before provision of such services commences. In doing this, the Company and Audit Committee have established a procedure whereby a BDO representative, in conjunction with the CFO, contacts the Audit Committee Chairperson and obtains pre-approval for such services on behalf of the entire Audit Committee, to be followed by a written engagement letter, as appropriate, confirming such arrangements between BDO and the Company. In addition, on a periodic basis, the entire Audit Committee is provided with a summary of all pre-approved services, if any, to date for its review.

Recommendation of the Board

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR”

The Audit Committee has received the written disclosures and the letter from BDO USA, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding BDO USA, LLP's communications with the Audit Committee concerning independence, and has discussed with BDO USA, LLP its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited combined financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2019 for filing with the SEC.
